LEARN it.

This program is designed to prepare individuals for jobs in the transportation industry. Students may gain a solid foundation of knowledge that includes classroom work and hands-on driving training in real world situations. This course prepares the student to sit for the Class A Commercial Driver's License. Students will train on a standard cab tractor and/or a sleeper tractor, with a 53-foot trailer.

Our students will have the opportunity to train in:

- Commercial vehicle systems, air-brakes, maintenance & inspections
- Backing up & coupling
- Speed & space management
- Night operation & adverse conditions

After earning a Class A Commercial Driver's License graduates may find entry-level employment as a:

- Commercial vehicle operator in both intrastate and interstate transportation

Program completion estimated:

**8-24
WEEKS**

Earn the following **11 Skill Badges** conveying proficiency in your field:

Coupling

Backing & Docking

Vehicle Inspection

Maneuverability
