ASSOCIATE OF APPLIED SCIENCE
IN NURSING

Call Now 1.833.SCI.TEXAS or Scan the QR Code to Learn More

Our students will have the opportunity to train to:

- Deliver patient-centered care using clinical reasoning and evidence-based practices.
- Demonstrate professional and ethical standards in nursing practice.
- Apply critical thinking and problem-solving skills in diverse healthcare environments.
- Communicate effectively with patients, families, and healthcare teams.
- Perform nursing interventions safely and competently across the lifespan.

After completing the AAS in Nursing program, students can sit for Registered Nurse licensure and work in these environments:

- Hospitals & Emergency Rooms
- Long-Term Care & Rehabilitation Centers
- Doctors' Offices & Outpatient Clinics
- Community Health Programs
- Home Health Agencies
- Schools & Specialty Practices
